

Year	Inventions Name	Description	Inventor Name	Field	Contact Number	Type of Award
2011	Composite Bio filter Liner and Cover Systems for Bioremediation Systems	Composite clay-polyethylene bio filter liner and cover system for enhancing landfill bioreactors and others bioremediation systems	Prof. Benedict Francis Anthony Basnayake	Environment	081-2395475 0777808932	Gold
2011	Auto Voltage Security System	This auto voltage security system monitors and fluctuation range of voltage by detecting the overall standard of domestic or industrial electricity grid with high precision	Sanath Janaka Sooriarachchi Amarasekara	Engineering	072-2273877	Gold
2011	Three Dimensional Picture Technology	Three Dimensional oil and acrylic paint using paper recycling; this is first relations from Sri Lanka to the world.	Amanda Creations	Arts	077-7617272	Gold
2011	New Technology for Mixing Storage of Organic Matters	In the storage of daily collected organic matters (garbage) in the pattern of layers and mixing in an easy method under gravity (The layers will be mixed separately) and producing compost fertilizer.	Nadula Abeysinghe	Environment	077-3931042 041-2230603	Merit Award
2011	Manufacturer of Low Aromatic White Spirits	Reacting kerosene oil with mineral and, neutralizing and adsorbing on to a porous active surface	K. A. D. A. L. Perera	Chemistry	011-2871642, 077-7780550	Merit Award
2011	Cold Air Retainer Door Screening System	Cold Air door screening system act as a barrier to minimize moistened and heat transaction process during door is kept open. Door screen improves energy efficiency by 14.5%. This helps to save energy, save money and to save environment	Palpola Loku Liyanage Chandima Subhashana Alwis	Energy	011-2796944	Merit Award
2011	"LINK" Digital Taxi Meter	Digital taxi meter(with remote programming capability) and to	Dr. Aruna Ratnasuriya /	Transport	077-7761961	Merit Award

		regularize the three wheeler service	LINK LANKA			
2011	Visualization Shopping Portal	Visualization shopping portal connect traders and customers and provide opportunities for the customers to select the best possible to said his/her taste with the intended environment this is achieved by enabling the customers to visualize a chosen product with intended neuron next overlapping 3D object (vise object) with an imagery of customers over a web browser	Prasad Thushara Peiris	Industries & Technology	071-8688050	Merit Award
2011	Sunbird Super Solar Hot water System	The unique technological method of fabricating tubing within the unit to give higher efficiency	Jude Fernandopulle Associates (Private) Limited	Energy		Merit Award
2012	Automatic Electronic Time And Speed Controller For Ceiling Fans	The present embodiment incorporates a timer with setting from 10 minutes to 10 hours. Further, the fan speed controller incorporated in this embodiment too is an improved version with rotary control and free of the unpleasant hum which is usually associated with infinitely variable fan controllers.	Vidya Jyothi Professor K. K. Y. W. Perera	Engineering	011-2585933 071-8334533	Gold
2012	Safety Coconut Husk Feeding Mechanism To Extract Bristol Fiber From Traditional Fiber Extraction Processes	This new machine have developed to feed the coconut husks to traditional needle drum system in a safe manner and operators does not need to hold the husk until finishing the combing process. Any new operator can use this machine very easily	Anura Sooriyaarachchi- ITI	Industries & Technology	071-4482320	Gold
2012	Karapincha Mixed String Hopper Rice Flour	Rice flour mixture mixed with canny leaves is the special mixture made through a machine opiated	A. P. Jayathilake	Food	071-6542522 027-2222520	Gold
2012	Sense Tech Back	This special sense tech device is	Amitha De Silva	Medicine	071-4702396	Gold

	Pain Reliever	designed to give you intense relief to your neck shoulders and back. You only have to lie back on this device for 15-30 minutes to experience the relief. Rolling balls in this device help to release the nerves and blood vessels from pressure which relieves muscular tension and pain. It brings soothing relief to both your back and neck.			072-2706889	
2012	Auto Reload System for Mobile Phones	Generally recharging, subscriber mobile account all retailers using reload phones for all networks. Through our product they can do this very easy.	Dissanayakage Ajantha Roshan Dissanayaka	Engineering	071-6057677 055-2288410	Gold
2012	An Improved Shock Absorber With Magnetic Double Filters And Eco Friendly Repairing And Recycling Method Thereof	The proposed system for shock absorbers contains magnetic double filter technique to clean contaminated oil inside the shock absorber and eco-friendly oil cleaning system.	Subadhra Kankanamalage Chandralal Kumarasiri	Transport	011-2402208	Merit Award
