

FOR OFFICIAL USE ONLY

Application no. :
Received date :
Field:
Inventors' ID No.:

[Strictly for Sri Lankan Inventors]

Application for technical / financial / commercialization assistance

1. Personal information

Name in full :

Permeant Address:
.....

Address living at the moment :

District : Divisional Secretariat :

Grama Niladhari division you vote:

Are you an Sri Lankan? Yes ☐ No ☐

Date of Birth : Age: (Years.) NIC No:

If you possess an ID for Inventors issued by SLIC, ID No:

Tel.: Mobile: E-mail:

Are you an employed? yes ☐ No ☐

If "yes"

Position:

Employer's name :

Address:

..... Tel: Email:

2. Details of the invention

(a) Name of the invention:

.....

(In mother language)

(b) A short description of the invention (less than 75 words).

.....

.....

(c) What are the characteristics and the uses related to the national economy of unique to your invention ?

.....

(d) Patent information;

I. If already patented; Patent No.:

Issued date: Countries applicable:

II. If not yet awarded,

applied date as per NIPO Pending patent No.:

3. Up to date Status of the invention?

I. Concept only.

☐

(kindly note; application is not eligible for next steps in the evaluation process)

II. Patented concept only.

☐

(Relevant only for below 4.(I))

III. A prototype in which the function is certified

☐

IV. An invention which has not been developed up to a finished product

☐

V. An invention, developed to a certain level but need further

☐

development to be considered as a finish product.

VI. A finished product.

☐

4. What kind of assistance, do you expect through this programme?

I. Financial/ technical assistance for developing a prototype

☐

II. Financial/ technical assistance for developing the invention up to a finish product

☐

III. Financial/ technical assistance for purchasing required machinery/ equipment in commercialization of the invention

☐

IV. For selling the patent

☐

V. For commercialization of the invention with another party while getting a royalty fee

☐

VI. Other (with the approval of the Board of Management only)

☐

.....

If you expect the assistance for developing a prototype (above 4. I), submit below details as annexures.

- a) The direct contribution to national economy by developing the said invention.
- b) Business Plan for the start up (for more than 3 years)
- c) A detailed return on investment for the government money investing for developing the prototype If the application is recommended through evaluations

4.1 What is the cost of production for one unit of developed version of the invention?

.....

4.2 Select the financial assistance expecting base on your business plan.

A	Up to 50,000.00	
B	50,000.00 to 500,000.00	
C	500,000.00 to 1,000,000.00	
D	Over 1,000,000.00 (depend on the availability of funds)	

5. Your invention can be sold as it is? Yes ☐ No ☐

5.1 Does it need to couple with another product/s to be sold? Yes ☐ No ☐

6. Invention can be exported? Yes ☐ No ☐

7. Local raw materials are used for producing the invention. Yes ☐ No ☐

8. Complex production process is involved. Yes ☐ No ☐

9. Customer using other similar products can be attracted by your invention
Yes ☐ No ☐

10. Which field/s will be best suited to your invention? (Give the priority order starting from 1)

- 1. Public safety, welfare and national defense ☐
- 2. Chemistry ☐
- 3. Food Technology ☐
- 4. Medicine and Pharmacy ☐
- 5. Traditional Medicine ☐
- 6. පොදු කර්මාන්ත හා යටිතල පහසුකම් ☐
- 7. Physics ☐

- 8. Information and Communication Technology ☐
- 9. Agriculture ☐
- 10. Applied Sciences and Technology ☐
- 11. Energy ☐
- 12. Environmental Conservation ☐
- 13. Transportation ☐
- 14. Engineering ☐

- F – 01 - Public safety, Welfare and National Defense
- F – 02 - Physics
- F – 03 - Medicine and Pharmacy
- F – 04 - Traditional Medicine
- F – 05 - Agriculture
- F – 06 - Food Technology
- F – 07 - Chemistry
- F – 08 - Applied Sciences and Technology
- F – 09 - Energy
- F – 10 - Environmental Conservation
- F – 11 - Engineering
- F – 12 - Information and Communication Technology
- F – 13 - Transportation
- F – 14 - Public works and Infrastructure Engineering

11. What types of reports your invention needs to certify the functions and for other required approvals?

	Institute issues the certificate/report	Progress
1		Certificate received/ not yet received/ Not yet applied
2		Certificate received/ not yet received/ Not yet applied
3		Certificate received/ not yet received/ Not yet applied
4		Certificate received/ not yet received/

		Not yet applied
5		Certificate received/ not yet received/ Not yet applied

12. The above-mentioned invention was awarded places at national level and international level competitions organized by Sri Lanka Inventors Commission.

Yes ☐ No ☐

If “yes”, Type of award;

Presidential award/s ☐

National Award/s ☐

International award/s ☐

13. Were you awarded a loan or a grant from SLIC before?

Yes ☐ No ☐

For the abovementioned invention:

Yes ☐ No ☐

For other different inventions (name the inventions here):

14. Do you have other patented inventions? yes ☐ No ☐

(a) If your invention is already in the market, give a small description on that.

.....
.....

15. What is your ultimate objective by getting a loan under the “Invent Grant Programme”?

To become a successful entrepreneur by commercializing the invention ☐

To sell the invention to an investor ☐

To transfer the technology while keeping a Royalty ☐

Other ☐

If the answer is “other”, please explain.

16. Have you received a loan from another institution for the above invention?

Yes ☐ No ☐

If “yes”,

1) Total amount of loan taken:

.....

2) The institute/s the loan disbursed:

.....

3) Amount to be repay at the date of applying this application:

.....

Applicant’s statement:

I assure that all the above provided information are accurate and true to my understanding. I am bound to provide any documents to prove the above on request of Sri Lanka Inventors Commission. If I am selected for the loan, I understand that I am bound to follow the rules and regulations of the Loan programme. In addition, I do understand that the final decision is the decision taken by Sri Lanka Inventors Commission throughout the process of evaluation and loan disbursement.

.....

Signature of the Applicant

.....

Date

Documents to be annexed:

- ☐ 1. Residence certificate certified by the Divisional Secretary
- ☐ 2. Description of the invention provided at the action of applying for the patent
- 3. **If a business is not yet started** for the invention and assistance is sought to start a new business:
 - ☐ i. Business Plan (Including a Production Plan, a Marketing Plan and a Resource Plan)
 - ☐ Production Plan (a summary of Production process, Production cost)
 - ☐ Marketing Plan (market analysis, Income from sales and cost of sales as a forecasted for not less than 3 years)
 - ☐ Resource plan (current status and forecasted for Capital and Finance resources, Current status of Human resources and forecasted status)
 - ☐ Content of a market analysis: If the market is available and buyers are identified, evidences need to be provided as annexures.
- 4. **If you are currently running a business for the above-mentioned invention** and assistance is sought through this programme:
 - ☐ i. Current status of the business (current Financial status, Physical status shall be clearly mentioned.

Annex the below documents:-

 - ☐ Financial statements for recent past years,
 - ☐ Evidences for Sales/ orders ,
 - ☐ A copy of Business registration (1. individual / partnership business registration at Divisional Secretariat OR 2. BR at Local government Authority OR 3. BR at Provincial Council OR 4. Private Limited or other)
 - ☐ Documents of Organizational Structure / Employees/ positions
- 5. If the patent was applied as a group, below details of the group members should be attached along with the application; Name, Address, Phone numbers, email address of each member

Note:

Business registration is a must for disbursing the loan if approved.

For Official Use Only
