

SRI LANKA INVENTORS COMMISSION (SLIC)
“PRESIDENTIAL AWARDS FOR INVENTIONS – 2025”
APPLICATION

Note: Applicant should read and understand the general instructions, rules and guidelines given to you along with the application and complete the application accordingly.

1. INFORMATION OF THE APPLICANT

Section A:

(*If the patent is registered under an institution/organization, Section B must also be completed in addition to Section A.)

- (i) Full Name of the applicant (in block letters): Please underline the Surname. For group inventions, “Section A” details of all members must be attached separately.

.....

- (ii) Name with initials (Rev./Prof./Dr./Mr./Ms.):-

.....

- (iii) National Identity Card No. / Driving License No. / Passport No. (Attach copy):-

.....

- (iv) If your invention won an award, the name you wish to mention in the Certificate:-

.....

- (v) Gender:

Female

☐

Male

☐

- (vi) Personal Address:-

.....

- (vii) Contact Details:

Home:-

Mobile:-

Office:-

Email:-

(viii) Age:-

(ix) If you are employed:

Name of the Employer/Place of Work :-

Designation:-.....

Address:-

Telephone:-

Section B:

If the patent is registered under an institution/ organization, following additional information must be completed (strike off if not applicable).

(i) Name of Institution/Organization holding patent:-

.....
.....

(ii) Address:

.....
.....

(iii) Relationship between applicant and the inventor mentioned in the patent.

.....

(A copy of the patent obtained for the invention must be attached.)

2. DETAILS OF THE INVENTION

(i) Name of the invention (in English):-

.....
.....
.....

In Sinhala/Tamil:-

.....
.....
.....

(ii) Description of the Invention (Should be limited to approximately 100 words).

.....

.....

.....

.....

.....

.....

.....

.....

(iii) **Most appropriate technical field** relevant to your invention: Indicate only one (01) technical field by placing a “✓” mark in the appropriate box. Please note that this selection will be used for evaluation based on the invention's commercialization potential or its application for social benefit within the selected technical field.

1. Public Safety, Welfare and National Defense	
2. Food Technology	
3. Medicine and Pharmacy	
4. Public Works and Infrastructure Engineering	
5. Information and Communication Technology	
6. Applied Sciences and Technology	
7. Environmental Conservation	
8. Chemistry	
9. Traditional Medicine	
10. Physics	
11. Agriculture	
12. Energy	
13. Transportation	
14. Engineering	

(iv) Dimensions of the prototype or working model of the invention:

Length:- Width:-

Height:- Weight:-

(v) Details about the Patent:

Patent No:-

Date of Issue:-

Name of the Patentholder:- (Follow the instructions mentioned in No. 3 under general instructions, rules and guidelines.).

.....

(vi) Have patent rights for this invention been granted or applied for in any other countries? If yes, please provide details:-

.....

3. Additional Information on the Invention

If the given invention has already been commercialized or has a commercial potential, answer the questions given below.

(i) The problem which is trying to solve by this invention? (Just explain the problem briefly).

.....
.....

(ii) What opportunities have you identified for further improvement of your invention?

.....

(iii) Has the invention been established as a business?

Yes ☐ No ☐

Please answer the following questions only if the invention has been commercialized and is being operated as a business.

(iv) Type of Business

Sole Proprietorship ☐

Partnership ☐

Limited Liability Company ☐

(v) To which market(s) are your products sold?

Domestic market ☐

International market ☐

(vi) If your products are sold in international markets, please specify the country/countries.

.....

(vii) Approximate annual production capacity

.....

(viii) What is your approximate annual income generated from the product:

Less than Rs. 1 million

☐

Between Rs. 1 million and Rs. 5 million

☐

Between Rs. 5 million and Rs. 10 million

☐

More than Rs. 10 million

☐

If your invention has not been commercialized as a business, has its technology been made available free of charge for the benefit of society?

Yes ☐

No ☐

4.

a) Declaration by the Applicant:

I hereby declare that the information provided above is true, accurate, and complete to the best of my knowledge. I understand that if any information provided by me is found to be false, inaccurate, or misleading, I shall be disqualified from this competition.

I further acknowledge that, even after the Presidential Awards Ceremony, if any information provided by me is found to be false, inaccurate, or misleading, the Sri Lanka Inventors Commission reserves the right to revoke or withdraw any award granted to me, including the certificate, plaque, medal, and/or cash prize.

I confirm that I have carefully read and fully understood all the rules, regulations, and conditions imposed by the Sri Lanka Inventors Commission relating to the Presidential Awards Ceremony. I hereby agree to abide by all such rules, regulations, and conditions and submit this application as a participant bound by them.

Date:-

.....

Signature of the Applicant

b) Declaration by the Head of the Institution/Organization:

(This section must be completed by the Head of the Institution/Organization when submitting an invention for which the patent has been granted in the name of an institution or organization.)

I hereby certify that, to the best of my knowledge, all the information provided by the applicant in this application is true and accurate. I further declare that, should the invention described herein receive any award at the Presidential Awards Competition, I have no objection to the relevant award being presented to the applicant named in this application.

Date:-

.....

Signature of the Head of the Institution

Name:

Official Seal:

- ❖ The completed application form should be enclosed in a sealed envelope. Please clearly indicate “Presidential Awards for Inventions – 2025” on the upper left-hand corner of the envelope.
